A Social Worker's Role in Drug Court

A commonality between the social work profession and the drug courts is an emphasis on helping people change their behavior, develop self-efficacy,

and set goals benefitting themselves and others (Clark, 2001) A de-emphasis on social retribution for drug offending allows social workers and drug court treatment teams to focus on restorative jus-

SECTION CONNECTION

An inquiry by the social worker before treatment begins about the terms of the separation, the divorce decree and the child custody order is the first step to avoiding issues later This point is summarized in the NASW Law Note, The Legal Rights of Children: “Because of the wide variation of custody arrangements that courts may
