Lay the Favorite Oct 07 2020

“Beth Raymer’s crackling, hilarious memoir ricochets through the gambling underworld in Las Vegas, and is peopled with all manner of lovable wack-jobs, none of whom is quite as wacky—or lovable—as Raymer herself.”—Marie Claire Beth Raymer waited tables at a dive in Las Vegas until a customer sent her to see Dink, of Dink Inc., one of the town’s biggest professional sports gamblers. Dink needed a right-hand man—someone who would show up on time, who had a head for numbers, and who didn’t steal. Beth got the job. Lay the Favorite is the story of Beth’s years in the high-stakes, high-anxiety world of sports betting—a period that saw the

fall of the local bookie and the birth of the freewheeling, unregulated offshore sports book, and with it the elevation of sports betting in popular culture. As the business explodes, Beth rises from assistant to expert, running an offshore booking office in the Caribbean. As the men around her succumb to their vices—money, sex, drugs, gambling—Beth improbably emerges with her integrity intact, wiser, sharper, nobody’s fool. A keen and compassionate observer of the adrenaline-addicted roguish types who become her mentors, her enemies, her family, Beth Raymer depicts an insanely colorful world teeming with pathos and ecstasy. NOW A MAJOR MOTION PICTURE “Candid, smart, funny, wild and crazy.”—Elle “Raymer gleefully shatters the myth of the modern gambler. . . . Seduced by her stories, we long for this strange, sleazy and alluring landscape.”—Los Angeles Times “[Raymer depicts] a sordid, florid microworld lurching along the edge of

Once Upon a Time in Vegas:

All the Pretty Girls Apr 24

2022 As South Las Vegas Community College is prepared for demolition, three of its faculty members fight to keep the school open long enough to graduate one last class of students. But nothing is ever what it seems in the Nevada desert. Soon, the down-on-their-luck, lovable-but-misguided rogues are stumbling their way through casinos and gentlemen's clubs, as they attempt to save ALL the women of Las Vegas from pirates, ghosts, and angry club owners. Along the way, maybe they'll even find the treasure that's buried somewhere on campus. Without digging up the dead bodies.

Las Vegas Nov 27 2019 The meteoric rise of Las Vegas from a remote Mormon outpost to an international entertainment center was never a sure thing. In its first decades, the town languished, but when Nevada legalized casino gambling in 1931, Las

Vegas met its destiny. This act—combined with the growing popularity of the automobile, cheap land and electricity, and changing national attitudes toward gambling—led to the fantastic casinos and opulent resorts that became the trademark industry of the city and created the ambiance that has made Las Vegas an icon of pleasure. This volume celebrates the city's unparalleled growth, examining both the development of its gaming industry and the creation of an urban complex that over two million people proudly call home. Here are the colorful characters who shaped the city as well as the political, business, and civic decisions that influenced its growth. The story extends chronologically from the first Paiute people to the construction of the latest megaresorts, and geographically far beyond the original township to include the several municipalities that make up today's vast metropolitan Las Vegas area.
