*A Beginner's Guide to Christianity Oct 21 2021*

*A Beginner's Guide to Meditation Oct 09 2020* A practical, accessible guide to the fundamentals of Buddhist meditation, with pointers from some of today's most respected Buddhist teachers, including Pema Chödrön, Thich Nhat Hanh, Cyndi Lee, and Sharon Salzberg. As countless meditators have learned firsthand, meditation practice can positively transform the way we see and experience our lives. This practical, accessible guide to the fundamentals of Buddhist meditation introduces you to the practice, explains how it is approached in the main schools of Buddhism, and offers advice and inspiration from Buddhism's most renowned and effective meditation teachers, including Pema Chödrön, Thich Nhat Hanh, the Fourteenth Dalai Lama, Sharon Salzberg, Norman Fischer, Ajahn Chah, Chögyam Trungpa Rinpoche, Shunryu Suzuki Roshi, Sylvia Boorstein, Noah Levine, Matthieu Ricard, Judy Lief, and many others. Topics include how to build excitement and energy to start a meditation routine and keep it going, setting up a meditation space, working with and through boredom, what to look for when seeking others to meditate with, how to know when it's time to try doing a formal meditation retreat, how to bring the practice "off the cushion" with walking meditation and other practices, and much more.

*A Beginner's Guide to the End Nov 02 2022* "I wish I'd had this book when I needed it. Death and dying are not subjects that many people are comfortable talking about, but it's hugely important to be as prepared as you can be - emotionally, physically, practically, financially, and spiritually. This book may be the most important guide you could have." - Elizabeth Gilbert, author of *Eat Pray Love*

The end of a life can often feel like a traumatic, chaotic and inhuman experience. In this reassuring and inspiring book, palliative care physician Dr BJ Miller and writer Shoshana Berger provide a vision for rethinking and navigating this universal process. There are plenty of self-help books for mourners, but nothing in the way of a modern, approachable and above all useful field guide for the living. And all of us - young, old, sick and well - could use the help. After all, pregnant couples have ample resources available to them as they prepare to bring a new life into the world: Lamaze courses, elaborate birth plans, tons of manuals. Why don't we have a *What to Expect When You're Expecting to Die* book? An accessible, beautifully designed and illustrated companion, *A Beginner's Guide to the End* offers a clear-eyed and compassionate survey of the most pressing issues that come up when one is dying, and will bring optimism and practical guidance to empower readers with the knowledge, resources and tools they'll need to die better, maybe even with triumph.

*Buddhism Jan 30 2020 4th Edition Now Available with New Beautiful Images!* "No matter how hard the past, you can always begin again." - Buddha An ancient and deeply revered practice, Buddhism is even more popular now than it has been in decades. The secret behind its steady rise is due in part to the plethora of benefits Buddhism reaps upon those who practice it and apply its teachings to their lives. Through mindfulness and meditation, Buddhism injects peace and clarity into the minds and lives of those who dedicate themselves to it. Those wonderful benefits can be a part of your life as well through the careful study of its various tenets. In Buddhism, this thoughtful and carefully detailed guidebook acts as a beginner's guide to those who may be interested in learning more about this ancient and wise practice. Placing emphasis on meditation, yoga, and understanding the core concepts of Buddhism allows the reader to apply its teachings to make their lives fuller and healthier. If you are curious about Buddhism and want to find the answers you seek, then look no further than this qualitative guidebook. Full of information on the various aspects of Buddhism, meditation, yoga, and more, Buddhism stands apart as a concise and practical guide to infusing your life with its many teachings. Here's what to expect in the *Beginner's guide: What Buddhism is and what its teachings are* The core concepts of Buddhism: karma, suffering,

nirvana, and reincarnation The practice and benefits of yoga The four noble truths Practices, treasures, and poisons of Buddhism How to practice the five precepts of Buddhism How to practice mindfulness in order to reduce stress and anxiety And much, much more! The choice is now yours. Open yourself to the benefits of a life free of stress and anxiety through the understanding and practice of Buddhism. A clear and peaceful mind awaits you along your spiritual journey through its tenets and teachings. Begin your journey towards a better life and grab your copy of *Buddhism: Beginner's Guide* today!

*Socerer's Stone* Aug 26 2019 The author of this book, Dennis William Hauck, is a Hermetic scholar versed in both Eastern and Western techniques of alchemy and widely recognized as one of the world's leading experts on the subject. Now, in this book, he makes alchemy's secrets and powers accessible to everyone with the desire to experience physical, mental, and spiritual transformation. By providing clear explanations, moving meditations, and hands-on experiments making tinctures and elixirs, this beautifully illustrated guide passes on the knowledge and creative energy of alchemy's magnificent discipline—sending a golden arc of learning from thousands of years in the past into your life today. Hauck presents a fascinating history of alchemy—from the ancient Emerald Tablet to modern quantum chemistry – and elaborates on its arcane principles in an intimate, conversational way that anyone can understand. His portrayals of individual alchemists bring them alive and show how they built on each other's work through an “Underground River” of secret knowledge passed down through the ages.

*A Beginner's Guide to Goodbye* Apr 14 2021 Every summer, Laney's family visits their cottage on Tidnish Beach. Summertime on Nova Scotia's north shore is slow and sweet: there are long days in the water until fingers turn prune, bottomless glasses of cherry Kool-Aid, and bonfires with the other families summering along the shore. But this year the baking heat and bright red sand provide cold comfort. This year Laney's little sister, Jenny, is gone. Ten-year-old Laney grapples with the loss. She carries immense, secret guilt that she can only work out by writing letters to her sister. Laney's mother won't even say Jenny's name, so writing quickly becomes Laney's coping mechanism, to the detriment of her social skills. She avoids the other kids until she makes a new friend--one who doesn't look at her with pity. It's a tough lesson for a preteen, but Laney must learn to acknowledge her grief in order to overcome it. When a situation arises and Laney needs to help her new friend, she finally understands that even though she will miss Jenny forever, she can find happiness again. A tender meditation on life and loss through the lens of a childhood summer, *A Beginner's Guide to Goodbye* will fill readers with warmth and spark important conversations.

*A Beginner's Guide to Japan* Oct 28 2019 “Arguably the greatest living travel writer” (*Outside* magazine), Pico Iyer has called Japan home for more than three decades. But, as he is the first to admit, the country remains an enigma even to its long-term residents. In *A Beginner's Guide to Japan*, Iyer draws on his years of experience—his travels, conversations, readings, and reflections—to craft a playful and profound book of surprising, brief, incisive glimpses into Japanese culture. He recounts his adventures and observations as he travels from a meditation hall to a love hotel, from West Point to Kyoto Station, and from dinner with Meryl Streep to an ill-fated call to the Apple service center in a series of provocations guaranteed to pique the interest and curiosity of those who don't know Japan—and to remind those who do of its myriad fascinations.

*Beginner's Guide to Google Sheets* Mar 14 2021 *Google Sheets* is a wonderful tool but if you are new to it, it can be a little daunting. *A Beginner's Guide to the Universe* May 28 2022 Mike Dooley, the beloved creator of *Notes from the Universe*, distills a career's worth of inspiration into elegant, brief lessons for making our way through the world--conceived as a guidebook for his young daughter to read when she grows up, yet relevant to everyone who's living a life on earth. Mike returns with his most impactful book yet: a volume of almost 500 insights drawn from his 20+ years as a New Thought leader, organized between endearing letters that recall poignant moments of fatherhood. Through books, courses, and live events, Mike has engaged students with his trademark humor, wisdom, and sheer joy in living. He speaks of understanding our innate spirituality and personal responsibility as the means to unlocking our power over the illusions of time and space. *A Beginner's Guide to the Universe* is filled with gem-like bits of wisdom imparting his most essential, heartfelt advice about living deliberately and creating consciously--comparable to such treasures as *Life's Little Instruction Book*, *The Prophet*, and *The Things You Can See Only When You Slow Down*. Cleverly guiding the reader through a range of topics--including family and relationships, power and responsibility, adversity and rebounding, even the nature of heaven, angels, and God--Mike succeeds in making a happy life in this universe seem easily within our reach. The short passages of text placed artfully on each page, in a book that's a pleasure to hold in the hand, make this an ideal gift for a parent, a parent-to-be, a child, a new grad, a dear friend, or anyone who needs a dose of Dooley, whether they know it or not.

*A Beginner's Guide to Critical Thinking and Writing in Health and Social Care* Nov 29 2019 Ever struggled to write a critical essay? Ever wondered what critical thinking actually is and how you can apply it in your academic work and practice? This bestselling guide takes you through every stage of becoming a critical thinker, from approaching your subject to writing your essays or dissertation in health and social care. Each chapter tackles a different aspect of critical thinking and shows you how it's done using examples and simple language. Beginning with an overview of the importance of critical thinking, the book goes on to cover: How to think critically about different types of information as potential evidence, including books, journals, articles, websites, and, new to this edition, social media How to demonstrate critical thinking in written work and presentations How to adopt critical thinking in practice Updated with more references to online resources and critical appraisal tools, this fully revised second edition includes: The key tool 'Six questions for critical thinking' which will assist you in developing your skills for academic work and practice - updated for this edition in

response to student evaluation An expanded worked example of critical analysis New exploration of the connection between theory and practice This book is an essential purchase for students and qualified healthcare staff alike and was highly commended in the BMA Medical Book Awards 2012. "This is an amazing book that I recommend to all levels of students as there is something in it for all. It is written in an easy to understand and friendly style that is accessible to anyone has an interest in critical thinking whether they are studying or not. It puts a different perspective on one's thinking and has even turned it on its head for some students. I love this book and the sound of the penny dropping for my learners!" Liz Rockingham, Adult Field Lead / Teaching Fellow, University of Surrey, UK "In my estimation this is the definitive beginner's guide to critical thinking and writing in health and social care. After reading this book any student should understand why and how critical thinking underpins professional practice and the highest endeavours in academic work and research. Within the book are three invaluable checklists: 1) 'Six questions for critical thinking', 2) 'Critical thinking skills in your written work' and 3) 'Critical thinking, or relying on routine'. A wonderful book for both Undergraduate and Masters' students and a must for hard-pressed academics who wish to encourage and endorse the need for critical thinking at all levels in all of their students". Dr Ruth Davies, Associate Professor Child and Family Health, Swansea University, UK "I did not intend to read this book cover to cover but it was such a pleasure I did. The book by Aveyard, Sharp and Woolliams achieves exactly what it sets out to do and is a comprehensive and highly readable guide. In this little gem the mysteries of critical thinking and writing are unpacked. Useful tools, resources, activities and worked examples are included and the reader is guided to develop their own skills. From the initial challenge to explore their personal values, beliefs and assumptions, through to how to adopt critical thinking in practice, the reader is left in no doubt as to the valuable contribution this book will make to developing their skills of critical thinking and writing for professional practice." Ailsa Espie, Senior Lecturer, Division of Nursing, Queen Margaret University, UK "Health and social care professionals navigate through extensive quantities of information in the course of their work. The ability to think clearly and critically is fundamental for appraising and implementing evidence and knowledge in practice. This book is an excellent place to start learning these vital skills and I recommend it to my students and to you." Dr Martin Webber, Anniversary Reader in Social Work, University of York, UK

A Beginner's Guide to Creating Reality Jul 30 2022 Account of important events in Ramtha's lifetime, from birth to his ascension, as well as Ramtha's basic teaching on consciousness and energy, the nature of reality, the self and the personality, the Observer in quantum mechanics, the auric field surrounding the body, the kundalini energy, and the seven seals in the body. This teaching covers the introduction given to students before commencing studies at Ramtha's School of Enlightenment. Includes: Foreword by JZ Knight, Introductory Essay to Ramtha's Teachings, Ramtha's Autobiography, Diagrams, Workbook, Glossary and Index.

*A Beginner's Guide to the Traditional Latin Mass* Sep 07 2020 The Traditional Latin Mass is more elaborate and prayed in an ancient language, so those coming to it for the first time can find it hard to navigate. Derya Little has provided a simple presentation with just enough information about the sequence, content, and meaning of its parts that anyone, adult or child, can follow and pray more easily.

*Beginner's Guide to Quilting* May 16 2021 Learn how to make beautiful quilts with this comprehensive guide to patchwork and quilting for beginners. Covers all aspects of quilting from piecing and applique to quilting and binding. Choose from 16 simple projects, each focusing on a different technique, from bags and cushions to table mats, wall hangings and bed quilts. Clear illustrations and step-by-step instructions accompany each project, making them all suitable for even a complete novice. The book also includes a quilting glossary explaining common quilting and sewing terms.

*Don't Fear the Spreadsheet* May 04 2020 Written in a question-and-answer format, this lowest-level beginner book covers the extreme basics of using spreadsheets in Excel. Instead of delving into advanced topics that scare most Excel novices away, the guide starts at a much more basic level, quickly providing a passable knowledge of the program and allowing users to overcome their fears and frustrations. It answers hundreds of common questions, including Can I delete data from a spreadsheet without changing the formatting? How can I merge two cells, columns, or rows? How do I use text-wrapping? How do I create custom functions? and What is a Macro and how do I go about creating it? Intended for the roughly 40 percent of Excel users who have never even entered a formula, this book will demystify the problems and confusion that prevent them from using the program to its potential.

*A Beginner's Guide to America* Nov 21 2021 A stirring, witty, and poignant glimpse into the bewildering American immigrant experience from someone who has lived it. Hakakian's "love letter to the nation that took her in [is also] a timely reminder of what millions of human beings endure when they uproot their lives to become Americans by choice" (*The Boston Globe*). Into the maelstrom of unprecedented contemporary debates about immigrants in the United States, this perfectly timed book gives us a portrait of what the new immigrant experience in America is really like. Written as a "guide" for the newly arrived, and providing "practical information and advice," Roya Hakakian, an immigrant herself, reveals what those who settle here love about the country, what they miss about their homes, the cruelty of some Americans, and the unceasing generosity of others. She captures the texture of life in a new place in all its complexity, laying bare both its beauty and its darkness as she discusses race, sex, love, death, consumerism, and what it is like to be from a country that is in America's crosshairs. Her tenderly perceptive and surprisingly humorous account invites us to see ourselves as we appear to others, making it possible for us to rediscover our many American gifts through the perspective of the outsider. In shattering myths and embracing painful contradictions that are unique to this place, *A Beginner's Guide to America* is Hakakian's candid love letter to America.

*Swing: A Beginner's Guide* Oct 01 2022 From the world's bestselling programming author Using the practical pedagogy that has made his other *Beginner's Guides* so
