The Art of Her Deal Mar 26 2022 This revelatory biography of Melania Trump from Pulitzer Prize-winning Washington Post reporter Mary Jordan “deftly, and without agenda, decodes Melania [Trump]” (NBC News) who is far more influential in the White House than most people realize. Based on interviews with more than one hundred people in five countries, *The Art of Her Deal: The Untold Story of Melania Trump* draws an unprecedented portrait of the first lady. While her public image is of an aloof woman floating above the political gamesmanship of Washington, behind the scenes Melania Trump is not only part of President Trump’s inner circle, but for some key decisions she has been his single most influential adviser. Throughout her public life, Melania Trump has purposefully worked to remain mysterious. With the help of key people speaking publicly for the first time and never-before-seen documents and tapes, *The Art of Her Deal* looks beyond the surface image to find a determined immigrant and the life she had before she met Donald Trump. Mary Jordan traces Melania’s journey from Slovenia, where her family stood out for their nonconformity, to her days as a fledgling model known for steering clear of the industry’s hard-partying scene, to a tiny living space in Manhattan she shared platonically with a male photographer, to the long, complicated dating dance that finally resulted in her marriage to Trump. Jordan documents Melania’s key role in Trump’s political life before and at the White House, and shows why he trusts her instincts above all. The picture of Melania Trump that emerges in *The Art of Her Deal* is one of a woman who is savvy, steely, ambitious, deliberate, and who plays the long game. And while it is her husband who became famous for the phrase “the art of the deal,” it is she who has consistently used her leverage to get exactly what she wants. This is the story of the art of her deal.

Trump: The Art of the Deal Jul 30 2022 President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. “I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big.”—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks—really talks—about how he does it. *Trump: The Art of the Deal* is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for *Trump: The Art of the Deal* “Trump makes one believe for a moment in the American dream again.”—*The New York Times* “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—*Chicago Tribune* “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—*Boston Herald* “A chatty, generous, chutzpa-filled autobiography.”—*New York Post*

TrumpNation Dec 23 2021 The extensively researched biography that goes beyond the hype to “separate Trump the reality from Trump the reality show” (*USA Today*). Now with a new introduction by the author, this entertaining look inside the world of Donald Trump is chock full of rip-roaring anecdotes, jaw-dropping quotes, and rigorous research into the business deals, political antics, curious relationships, and complex background of the forty-fifth US president. Granted unprecedented access, Timothy L. O’Brien traveled across the country and up and down the East Coast with Trump on his private jet, wheeled around Palm Beach with him in his Ferrari, and spent hours interviewing him in his home, in his office, and on the golf course. He met with the entrepreneur’s closest friends and most aggressive rivals, while compiling a treasure trove of Trumpisms from the Donald himself: Trump on the public’s enduring fascination with Trump: “There is something crazy, hot, a phenomenon out there about me, but I’m not sure I can define it and I’m not sure I want to.” Trump on naysayers: “You can go ahead and speak to guys who have four-hundred-pound wives at home who are jealous of me, but the guys who really know me know I’m a great builder.” Trump on the art of self-promotion: “You might as well tell people how great you are, because no one else is going to.” Ultimately, when O’Brien’s research revealed that Trump’s business record and annual spot on the *Forbes* 400 list of richest Americans might be more fantasy than reality, he—like so many others who have dared to tangle with the former host of *The Apprentice*—found himself in a courtroom. In a new introduction, O’Brien reflects on the recent wave of TrumpMania and updates readers on what it’s like to depose one of the world’s most litigious businessmen—and win.

Never Enough Jan 30 2020 In the summer of 2015, as he vaulted to the lead among the many GOP candidates for president, Donald Trump was the only one dogged by questions about his true intentions. This most famous American businessman had played the role of provocateur so often that pundits, reporters, and voters struggled to believe that he was a serious contender. Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic to the race. But as Michael D’Antonio shows in *Never Enough*, Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being. As revealed in this landmark biography, Donald Trump is a man whose appetite for wealth, attention, power, and conquest is practically insatiable. Declaring that he is still the person he was as a rascally little boy, Trump confesses that he avoids reflecting on himself “because I might not like what I see” and he believes “most people aren’t worthy of respect.” A product of the media age and the Me Generation that emerged in the 1970s, Trump was a Broadway showman before he became a developer. Mentored by the scoundrel attorney Roy Cohn, Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project. He leveraged his father’s enormous fortune and political connections to get his business off the ground, and soon developed a larger-than-life persona. In time, and through many setbacks, he made himself into a living symbol of extravagance and achievement. Drawing upon extensive and exclusive interviews with Trump and many of his family members, including all his adult children, D’Antonio presents the full story of a truly American icon, from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms. For all those who wonder: Just who is Donald Trump?, *Never Enough* supplies the answer. He is a promoter, builder, performer and politician who pursues success with a drive that borders on obsession and yet, has given him, almost everything he ever wanted.

Triggered Jul 06 2020 This is the book that the leftist elites don't want you to read -- Donald Trump, Jr., exposes all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to rampant "political correctness." In *Triggered*, Donald

Trump, Jr. will expose all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will write about the importance of fighting back and standing up for what you believe in. From his childhood summers in Communist Czechoslovakia that began his political thought process, to working on construction sites with his father, to the major achievements of President Trump's administration, Donald Trump, Jr. spares no details and delivers a book that focuses on success and perseverance, and proves offense is the best defense.

Unhinged Oct 09 2020 In the #1 New York Times bestseller, the former Assistant to the President and Director of Communications for the Office of Public Liaison in the Trump White House provides an eye-opening and "explosive" (The Boston Globe) look into the corruption and controversy of the current administration. Few were a member of Donald Trump's inner orbit longer than Omarosa Manigault Newman. Their relationship spanned fifteen years—through four television shows, a presidential campaign, and a year by his side in the most chaotic, outrageous White House in history. But that relationship came to a decisive and definitive end, and Omarosa finally shares her side of the story in this "deftly executed" (The Guardian), jaw-dropping account. A stunning tell-all and takedown from a strong, intelligent woman who took every name and number, Unhinged is a must-read for any concerned citizen.

Presidential Power Meets the Art of the Deal Aug 19 2021 This work attempts to understand the chaotic and enigmatic presidency of Donald Trump through Neustadt's iconic work on presidential power and bargaining. Neustadt's model explains much of Trump's difficulties in office, but not his relative success. It argues he defies expectation due to new political realities such as party polarization, a transformed media, and the administrative presidency.

What Really Matters Nov 21 2021 At the height of his career as a journalist, Tony Schwartz hit an unexpected wall. Why did success suddenly feel so empty? How could he add richer meaning to his everyday life? What guides could he trust on the road to wisdom? During the next five years his search for answers took him from a meditation retreat in the mountains of Utah to a biofeedback laboratory in Kansas, from a peak-performance workshop at a tennis academy in Florida to a right-brain drawing course in Boston. Blending the hunger of a seeker with a journalist's hard-headed inquiry, he discovered the best teachers and techniques for inner development—and identified the potential pitfalls and false gurus he met along the way. What he found dramatically changed his life. It may change yours as well.

Trump You Aug 07 2020 Trump University was the most expensive legal defeat of Donald Trump's career—but even though he settled for \$25 million, he still got off too easy. Years before his White House run, the reality TV star and real estate scion launched a for-profit education initiative—Trump University, or TrumpU for short - in which he promised to share his real estate secrets at seminars held in hotel ballrooms. As it turned out, Trump University wasn't an actual university and didn't feature Trump's secrets. The scam suckered thousands of unsuspecting victims out of their hard-earned money. And it fueled a tense legal battle that should have derailed Trump's presidential run in 2016. TRUMP YOU: Promises, Lies, And Corruption: My Battle With Donald Trump's Fake University recounts the inside story of the TrumpU legal saga through the eyes of Art Cohen, a student victim who personally sued Donald Trump in federal court in 2013 and had a private view of Trump during the height of his presidential campaign. While TrumpU seems quaint today, it foreshadowed the devastation, bloodshed, and corruption that defined Trump's presidency.

Unquotable Trump May 04 2020 The master of the comic book mash-up finds the POTUS to be his ultimate super-villain 25% of net proceeds donated to the American Civil Liberties Union. R. Sikoryak is famous for taking classic comics and mashing them with famous literature as he did in *Masterpiece Comics* or even using comics to visualize the iTunes Terms and Conditions contract. Now in these uncertain times, cartoonist R. Sikoryak draws upon the power of comics and satire to frame President Trump and his controversial declarations as the words and actions of the most notable villains and antagonists in comic book history. Reimagining the most famous comic covers, Sikoryak transforms Wonder Woman into Nasty Woman; Tubby Tompkins into Trump; Black Panther into the Black Voter; the Fantastic Four into the Hombres Fantasticos and Trump into Magneto fighting the Ex-Men. In perfect Trumpian fashion, *The Unquotable Trump* will be a 48-page treasury annual—needlessly oversized and garishly colored; a throw-back to the past when both Comics and America were Great. This will be the hugest comic, truly a great comic. You won't want to miss this, trust me, you'll see!

The Game Jul 26 2019 Controversial American artist Andres Serrano asks the question: Who is Donald Trump? Before Donald Trump was president, he was Donald Trump. *The Game: All Things Trump* is a journey through the world Donald Trump created for himself starting in the 1980s. His brand, his name, his casinos, his hotels, his products, his everything. Among the 1,000-plus objects (of which more than 500 are shown here) amassed from auctions, eBay, and word of mouth are some of Trump's greatest hits including Trump Shuttle, Trump Vodka, Trump University, Trump Steaks and the Ego sign from the Ego Lounge at the Taj Mahal. The scope of the project is as vast as Donald Trump's reach has been, showing that long before he became president, Donald Trump wrapped himself around America and called it his.

Women Who Work Sep 07 2020 NEW YORK TIMES BESTSELLER! Ivanka is donating the unpaid portion of her advance and all future royalties received from *Women Who Work* to the Ivanka M. Trump Charitable Fund, a donor advised fund that will make grants to organizations that empower and educate women and girls.* "This is a chatty step-by-step guide to living a happy life and getting ahead in a career." —USA Today "The advice is spot-on for everyone, not just women." —Tony Hsieh, CEO of Zappos.com and author of *Delivering Happiness* I believe that when it comes to women and work, there isn't one right answer. The only person who can create a life you'll love is you. Our grandmothers fought for the right to work. Our mothers fought for the choice to be in an office or to stay at home. Our generation is the first to fully embrace and celebrate the fact that our lives are multidimensional. Thanks to the women who came before us and paved the way, we can create the lives we want to lead—which look different for each of us. I've been fortunate to be able to build my career around my passions, from real estate to fashion. But my professional titles only begin to describe who I am and what I value. I have been an executive and an entrepreneur, but also—and just as importantly—a wife, mother, daughter, and friend. To me, "work" encompasses my efforts to succeed in all of these areas. After appearing on *The Apprentice* years ago and receiving a flood of letters from young women asking for guidance, I realized the need for more female leaders to speak out publicly in order to change the way society thinks and talks about "women who work." So I created a forum to do just that. This book evolves the conversation that started on *IvankaTrump.com*, where so many incredible women (and men!) have shared their experiences, advice, ambitions, and passions. Women who work lead meetings and train for marathons. We learn how to cook and how to code. We inspire our employees and our children. We innovate at our current jobs and start new businesses. *Women Who Work* will equip you with the best skills I've learned from some of the amazing people I've met, on subjects such as identifying opportunities, shifting careers smoothly, negotiating, leading teams, starting companies, managing work and family, and helping change the system to make it better for women—now and in the future. I hope it will inspire you to redefine success and architect a life that honors your individual passions and priorities, in a way only you can. * The Ivanka M. Trump Charitable Fund (the "Fund") is a donor advised fund that supports the economic empowerment of women and girls. Ivanka Trump is the grant advisor to the Fund and sole member of IT WWW Pub, LLC (the "LLC"), which receives royalties from the publication of *Women Who Work*. The LLC will contribute a minimum \$425,000 to the Fund, which is the unpaid portion of the advance, net of expenses. In addition, the LLC will contribute all future royalties it receives that are in excess of the advance to the Fund during the period from May 1, 2017 to May 1, 2022.

Art 2.0 of the Deal Feb 10 2021 *Art 2.0 of the Deal: Donald J. Trump Hits the Wall* is the cautionary tale of a self-proclaimed "stable genius" and modern day dystopian anti-hero à la Winston in George Orwell's 1984. The "outsider" President soon proves himself to be unprepared and unfit to deal with a global pandemic that threatens the lives of U.S. citizens. More importantly to this incumbent, the "invisible enemy" endangered Trump's campaign and prospects for reelection. This art hysterical tour de farce - a portrait of our time - is a GPS through the Twilight Zone, filled with iconic visual CliffsNotes mile markers to art history, a reality show president, partisan politics, deals, corruption, the coronavirus pandemic, and a New Normal where life and fact are immeasurably stranger than fiction. The award-winning illustrator/author, Cathy Hull, skillfully guides readers through the harrowing twists and hairpin turns of the 2020 political landscape, 45's motivations and machinations, and the resulting unintended consequences. Fasten your seatbelt, it's a bumpy ride! Tired of all the rhetoric, pontification, and analysis? Just kick back and enjoy the artwork. Get the picture? *Art 2.0 of the Deal* opens with Trump's acquittal following his impeachment where the author's debut book, *Art 101 of the Deal: Donald J. Trump Off the Wall* left off. It concludes with the ultimate made-for-TV season finale or perhaps series cliffhanger: an uncertain future to be determined by voters in what conspiracy theorists such as POTUS himself call "a rigged election." The inefficiency of the electoral system combined with slow mail delivery during a pandemic are cause for concern; the plot never ceases to thicken. Take a front row seat and view the Trump Show in vivid detail and living color. Be aware - there is no intermission. This president, in effect, called dibs on the election avowing defeat was neither an option nor a possibility. Stay tuned. See what happens.... Meanwhile, Donald Trump and Cathy Hull continue to be the gift that keeps on giving. Laughter is infectious. Pass it on.

The America We Deserve Sep 27 2019 The essential, bestselling book that first defined President Donald Trump's political ideas. *The America We Deserve* is the essential book for anyone who wants to understand the core of Donald Trump's political thinking. In this book, written as he first considered running for president in 2000, Trump offers no-nonsense, populist, provocative, and dramatic solutions to issues that continue to resonate with voters today. In this book, Trump lays out a vision for America that is strong, optimistic, and founded on core Republican principles of self-reliance, limited governance, economic growth, and equitable taxation. Striking for its similarities to President Trump's current initiatives--but also fascinating in its differences--*The America We Deserve* reveals a man who is fully engaged with the nation and cares deeply about its future. Readers and voters will discover Trump's ideas on: *Foreign policy and relations with China, Russia, North Korea, and Israel *How to fix our broken and underperforming education system *Reducing regulations on business to help create jobs and economic growth *A dramatic one-time tax on the super-wealthy to close the national debt and fuel tax cuts for the middle class *Immigration, crime, terrorism, and more *The America We Deserve* is essential reading for Trump-watchers, voters, Republicans, Democrats, and anyone interested in how Trump the businessman became Trump the president.

Donald Trump Jun 16 2021 ***SPECIAL DEAL!!! Buy the paperback version of the book NOW to receive the kindle version (\$2.99) for FREE! Since the 1988 presidential election, Donald Trump has been considered a potential candidate for President in nearly every election. However, he was never serious about it until the 2016 election. Donald Trump formally announced his candidacy on June 16, 2015, with a campaign rally and speech at Trump Tower in New York City. He declared that he would self-fund his presidential campaign, and would refuse any money from donors and lobbyists. With seemingly no real previous political aspirations or experience, he transitioned his expertise from the business world to carve out a new niche in the political arena. Regardless of your place on the political spectrum, it's hard to deny the marketing prowess Donald Trump has exhibited throughout the course of his political campaign. Using the background and expertise he garnered in the marketing world, Trump has strategically applied this knowledge to bolster his political success in running for President of the United States. Trump's tactics have captured the world's attention as they watch a business mogul take on the political arena, and his unconventional approach has undeniably changed both the political landscape and the expectations of the voting public. Throughout the course of his campaign, the strategies Donald Trump has exhibited offer an interesting perspective in how long-standing business and marketing strategies can transition perfectly into a different context, namely the political realm. This book will delve into the primary marketing strategies Trump has employed in driving his campaign forward, and explore why these strategies have been successful, specifically focusing on Getting Attention at All Costs, Knowing All the Players in the Game, Keeping an Authentic and Consistent Brand, Dominating Social Media, and Adopting a Clear and Simple Mission Statement. "[Trump's campaign] is such a very interesting marketing story and fascinating to watch from that lens. Politics is always about positions, but at its core, about marketing." ~ Tim Calkins, Kellogg School of Management

Trump: The Way to the Top May 16 2021 The host of the hit reality show *The Apprentice* presents an invaluable collection of grounded, hard-hitting advice on business success, from people who have made it to the boss's chair at some of America's most thriving companies. How can you find the way to the top? Ask people who are already there. Because you can't know it all. No matter how smart you are, no matter how comprehensive your education, no matter how wide-ranging your business experience, there's simply no way to acquire all the wisdom you need to make your business flourish. You need to learn from those who have blazed a trail before you. Donald Trump has asked many of the brightest, most successful businesspeople he knows—and some he doesn't know—to answer this question: What's the best business advice you ever received? The result is a compelling resource of wisdom and wit that reveals how some of the most accomplished people conduct their personal and business affairs, giving an inside look into the secrets of corporate success. But the advice doesn't only come from the upper echelons of the Fortune 500. Thoughts poured in from executives at thriving companies large and small, ranging from well-known icons such as Staples, American Airlines, Lillian Vernon, and Boeing to family-run operations like Orleans Homebuilders and Carlson Companies. *The Way to the Top* brings together the core ideas that have guided more than 150 of today's top businesspeople, offering a range of inspiring and practical advice on making good decisions, conducting yourself appropriately, developing your career, communicating with others, leading a team effectively, and much more. Some of the entries are simple entreaties, some portray intriguing vignettes, and others outline lists of guiding principles; all are illuminating, instructive, and insightful. A telling to-do list for the aspiring professional, *The Way to the Top* belongs on every business bookshelf.

The Art of Her Deal Apr 14 2021 In this "scrupulously reported biography" (NPR) Jordan documents how Melania Trump had discussing being First Lady nearly two decades before she landed in the White House and how she encouraged her husband to enter the race for president. Based on interviews with more than one hundred people in five countries, *The Art of Her Deal: The Untold Story of Melania Trump* is "an extraordinary work" (Salon) that draws an unprecedented portrait of the first lady. We see that behind the scenes Melania Trump is not only part of President Trump's inner circle, but for some key decisions she has been his single most influential advisor. Jordan interviewed key people in Melania's close circle who speak publicly for the first time and uncovered never-before-seen photos and tapes of the tall woman with "tiger eyes," as a judge in an early modeling contest said. *The Art of Her Deal* shows Melania's ascent from a modest life, tracing her journey from childhood under a communist

dictator to her complicated relationship with Donald Trump. The picture that emerges is “that the first lady is not a pawn but a player... and a woman able to get what she wants from one of the most powerful and transparently vain men in the world” (NPR). And while it is her husband who became famous for the phrase “the art of the deal,” this is the story of the art of her deal.

Not Normal: Art in the Age of Trump Sep 19 2021 "Not Normal: Art in the Age of Trump" is a visual protest of the Trump administration featuring 142 artists with over 350 works. Artists around the United States are raging against Donald Trump in visual protest. Not Normal: Art in the Age of Trump documents this artistic movement in a curated collection that features the work of 142 artists. Their outrage is evidenced in full Technicolor on subjects ranging from racism, the Covid pandemic, xenophobia, immigration, promotion of hatred and violence, mistrust of science and facts, misogyny and of course, a narcissism that puts our entire country and world at great risk. While the subject matter is serious, the art is alive with color and detail and is delivered with an irreverent sense of humor. About the Author: Karen M. Gutfreund is an independent curator and artist. Actively promoting the work of activist and feminist artists with national touring exhibitions, she has produced over thirty-five to date, managing all aspects from curation, artist and project management along with installation. The Art of Fucking Your Daughter Oct 28 2019 This fake book is a hilarious prank to play on unsuspecting strangers, friends and family. The cover is sure to raise eyebrows on the bus or subway as you pretend to read the book, and cause people to laugh hysterically. The interior of the book is filled with dummy text, but the cover is what you want to buy it for. Makes a great gag gift too!

The Beautiful Poetry of Donald Trump Jun 24 2019 What if there's a hidden dimension to Donald Trump; a sensitive, poetic side? Driven by this question, Rob Sears began combing Trump's words for signs of poetry. What he found was a revelation. By simply taking the 45th President of the United States' tweets and transcripts, cutting them up and reordering them, Sears unearthed a trove of beautiful verse that was just waiting to be discovered. This groundbreaking collection gives readers a glimpse of Trump's innermost thoughts and feelings on everything from the nature of truth, to what he hates about Lord Sugar. And it will reveal a hitherto hidden Donald, who may surprise and delight both students and critics alike. Now with seventeen all-new poems! As we lurch deeper into the Trump presidency, this timely publication also includes Sears' scholarly footnotes and introduction, in which he excavates new critical angles and insights into the President's poetry which the casual reader might initially overlook.
