Desert Crossing May 23 2022 There are some kinds of trouble you never see coming, like those thunderstorms that start from nothing at all. One minute the sky is bright blue and distant. Then, all of a sudden, it's dark and thick with clouds, pressing down right on top of you. The leaves turn silvery and twist in the wind, the air starts to hum, and the rain comes, so heavy and fast you can't even see. You almost never make it to the house on time. A dead body on the road—who is responsible and how will it affect the lives of three teens? For fourteen-year-old Lucy Martinez, the moment when everything changes comes one night during a long car trip with her older brother and his friend Kit. They

are on their way to visit Lucy's father for spring break, but never make it. While driving across northern New Mexico through a blinding rainstorm, their car hits something—an animal, they think. But when they backtrack, they find a dead body on the side of the road. With amazing insight and compelling prose, Elise Broach charts a suspenseful journey full of danger, loss, and painful self-discovery. What will happen to the lives of three teenagers who can suddenly no longer pretend innocence?

The Masterpiece Feb 08 2021 In this captivating novel, New York Times bestselling author Fiona Davis takes readers into the glamorous lost art school within Grand Central Terminal, where two very different women, fifty years apart, strive to make their mark on a world set against them. For most New Yorkers, Grand Central Terminal is a crown jewel, a masterpiece of design. But for Clara Darden and Virginia Clay, it represents something quite different. For Clara, the terminal is the stepping stone to her future. It is 1928, and Clara is teaching at the lauded Grand Central School of Art. Though not even the prestige of the school can override the public's disdain for a "woman artist," fiery Clara is single-minded in her quest to achieve every creative success—even while juggling the affections of two very different men. But she and her bohemian friends have no idea that they'll soon be blindsided by the looming Great Depression...and that even poverty and hunger will do little to prepare Clara for the greater tragedy yet to come. By 1974, the terminal has declined almost as sharply as Virginia Clay's life. Dilapidated and dangerous, Grand Central is at the center of a fierce lawsuit: Is the once-grand building a landmark to be preserved, or a cancer to be demolished? For Virginia, it is simply her last resort. Recently divorced, she has just accepted a job in the information booth in order to support herself and her college-age daughter, Ruby. But when Virginia stumbles upon an abandoned art school within the terminal and discovers a striking watercolor, her eyes are opened to the elegance beneath the decay. She embarks on a quest to find the artist of the unsigned masterpiece—an impassioned chase that draws Virginia not only into the battle to save Grand Central but deep into the mystery of Clara Darden, the famed 1920s illustrator who disappeared from history in 1931.

The Madonna of the Mountains Aug 02 2020 "A riveting adventure for the soul . . . just the kind of evocative historical fiction I love."—Sara Gruen, author of At the Water's Edge and Water for Elephants An epic, inspiring novel about one woman's survival in the hardscrabble Italian countryside and her determination to protect her family throughout the Second World War—by any means possible Maria Vittoria is twenty-five when her father brings home the man who will become her husband. It is 1923 in the austere Italian mountain village where her family has lived for generations, and the man she sees is tall and handsome and has survived the First World War without any noticeable scars. Taking just the linens she has sewn that make up her dowry and a statue of the Madonna that sits by her bedside, Maria leaves the only life she has ever known to begin a family. But her future will not be what she imagines. The Madonna of the Mountains follows Maria over the next three decades, as she moves to the town where she and her husband become shopkeepers, through the birth of their five children, through the hardships and cruelties of the National Fascist Party Rule and the Second World War. Struggling with the cost of survival at a time when food is scarce and allegiances are questioned, Maria trusts no one and fears everyone—her Fascist cousin, the madwoman from her childhood, her watchful neighbors, the Nazis and the Partisans who show up hungry at her door. As Maria's children grow up and her marriage endures its own hardships, she must hold her family together with resilience, love, and faith, until she makes a fateful decision that will change the course of all their lives. A sweeping saga about womanhood, loyalty, war, religion, family, food, motherhood, and marriage, The Madonna of the Mountains is a poignant look at the span of one woman's life as the rules change and her world becomes unrecognizable. In depicting the great cost of war and the ineluctable power of time on a life, Elise Valmorbida has created an unforgettable portrait of a woman navigating both the unforeseen and the inevitable. Advance praise for Madonna of the Mountains "The moral and ethical questions raised propel the story beyond the particulars into the universal."—Kirkus Reviews "It is a bewitching but entirely unsentimental portrait of one woman's attempt to keep her family safe in turbulent times."—The Times (UK), Book of the Month "A solid choice for readers who appreciate layered family sagas."—Library Journal
