**Alfredo de Palchi** Jul 20 2021 In this keen examination of Alfredo de Palchi's lyrical oeuvre, Giorgio Linguaglossa refers to de Palchi as the missing link in Italian poetry in the second half of the twentieth century. From page one of this study, de Palchi's voice is in constant dialogue with the Italian poets of his time. Linguaglossa gives us a complete picture of the relationship between de Palchi's asymptotic creative paradigm and what was taking place around him. While the majority of de Palchi's life was spent outside of Italy, he continued to engage with Italy in his poetry, in translating Italian poets into English and for close to fifty years as co-editor, with Sonia Raizis, of Chelsea magazine, a biannual that published a significant number of translations of twentieth-century Italian poets. Through Chelsea magazine de Palchi also became a conduit, bringing Italian poetry to non-Italian-speaking poetry aficionados in the United States. It is especially his own verse, written outside the geocultural boundaries that we know as Italy, which makes this study by Giorgio Linguaglossa all the more important.

**The Faber Book of 20th-century Italian Poems** Sep 21 2021 Italy has produced some of the most inventive and controversial poetry of the past one hundred years. In this new anthology, all the major Italian poets of the early part of the century are well represented - Montale, Ungaretti, Saba, Quasimodo and D'Annunzio among them - poets who have filtered through to the English speaking world, and are already influential and appreciated. But many of their contemporaries from the mid-century and later are far less known - and deserve to be known - and Jamie McKendrick turns the light to them as well, including the work of Sereni, Passolini, Bertolucci and many others. 20th-Century Italian Poems is a stimulating sift through the key poets and poems of this fascinating period in European literature.

**My Poems Won't Change the World** Nov 23 2021 At last, an ample English-language selection of one of contemporary poetry's most vibrant voices Any hall she has ever read her poetry in is invariably filled to the gills. Women like her, girls like her, and men like her, too. In Italy, Patrizia Cavalli is as beloved as Wistawa Szymborska is in Poland, and if Italy were Japan she'd be designated a national treasure. The Italian philosopher Giorgio Agamben said of Cavalli that she has written "the most intensely 'ethical' poetry in Italian literature of the twentieth century." One could add that it is, easily, also the most sensual and comical. Though Cavalli has been widely translated into German, French, and Spanish, My Poems Won't Change the World is her first substantial American anthology. The book is made up of poems from Cavalli's collections published by Einaudi from 1974 to 2006, now freshly translated by an illustrious group of American poets, some of them already familiar with her work: Mark Strand, Jorie Graham, Jonathan Galassi, Rosanna Warren, Geoffrey Brock, J. D. McClatchy, and David Shapiro. Gini Alhadeff's translations, which make up half the book, are the result of a five-year collaboration with Cavalli. This edition includes the original Italian language poems alongside the English translation.

**Poems and Selected Letters** Jul 08 2020 Veronica Franco (whose life is featured in the motion picture Dangerous Beauty) was a sixteenth-century Venetian beauty, poet, and protofeminist. This collection captures the frank eroticism and impressive eloquence that set her apart from the chaste, silent woman prescribed by Renaissance gender ideology. As an "honored courtesan", Franco made her living by arranging to have sexual relations, for a high fee, with the elite of Venice and the many travelers—merchants, ambassadors, even kings—who passed through the city. Courtesans needed to be beautiful, sophisticated in their dress and manners, and elegant, cultivated conversationalists. Exempt from many of the social and educational restrictions placed on women of the Venetian patrician class, Franco used her position to recast "virtue" as "intellectual integrity," offering wit and refinement in return for patronage and a place in public life. Franco became a writer by allying herself with distinguished men at the center of her city's culture, particularly in the informal meetings of a literary salon at the home of Domenico Venier, the oldest member of a noble family and a former Venetian senator. Through Venier's protection and her own determination, Franco published work in which she defended her fellow courtesans, speaking out against their mistreatment by men and criticizing the subordination of women in general. Venier also provided literary counsel when she responded to insulting attacks written by the male Venetian poet Maffio Venier. Franco's insight into the power conflicts between men and women and her awareness of the threat she posed to her male contemporaries make her life and work pertinent today.

**Songbook** Feb 12 2021 A beautifully translated selection of poems by one of the greatest Italian poets of the twentieth century Umberto Saba's reputation in Italy and Europe has steadily grown since his death in 1957, and today he is positioned alongside Eugenio Montale and Giuseppe Ungaretti as one of the three most important Italian poets of the first half of the twentieth century. Until now, however, English-language readers have had access to only a few examples of this poet's work. This bilingual volume at last brings an extensive and exquisitely translated collection of Saba's poems to English-speaking readers. Both faithful and lyrical, George Hochfield's and Leonard Nathan's translations do justice to Saba's rigorous personal honesty and his profound awareness of the suffering that was for him coincident with life. An introductory essay, a translation of Saba's early manifesto, "What Remains for Poets to Do," and a chronology of his life situate his poetics within the larger context of twentieth-century letters. With its publication, this volume provides the English-speaking world with a momentous occasion to rethink not just Italian poetry but also the larger European modernist project.

*The FSG Book of Twentieth-Century Italian Poetry* Oct 03 2022 More than a century has now passed since F.T. Marinetti's famous "Futurist Manifesto" slammed the door on the nineteenth century and trumpeted the arrival of modernity in Europe and beyond. Since then, against the backdrop of two world wars and several radical social upheavals whose effects continue to be felt, Italian poets have explored the possibilities of verse in a modern age, creating in the process one of the great bodies of twentieth-century poetry. Even before Marinetti, poets such as Giovanni Pascoli had begun to cast the weedy rhetoric and withered diction from the once-glorious but by then decadent grounds of Italian poetry. And their winter labors led to an extraordinary spring: Giuseppe Ungaretti's wartime distillations and Eugenio Montale's "astringent music"; Umberto Saba's song of himself and Salvatore Quasimodo's hermetic involutions. After World War II, new generations—including such marvelously diverse poets as Sandro Penna, Pier Paolo Pasolini, Amelia Rosselli, Vittorio Sereni, and Raffaello Baldini—extended the enormous promise of the prewar era into our time. A surprising and illuminating collection, *The FSG Book of 20th-Century Italian Poetry* invites the reader to examine the works of these and other poets—seventy-five in all—in context and conversation with one another. Edited by the poet and translator Geoffrey Brock, these poems have been beautifully rendered into English by some of our finest English-language poets, including Seamus Heaney, Robert Lowell, Ezra Pound, Paul Muldoon, and many exciting younger voices.

**Contemporary Italian Women Poets** Aug 21 2021 Contemporary Italian Women Poets introduces English-reading audiences to the diversity of contemporary women's poetry in Italy during the past five decades. It includes twenty-five authors whose work has been published since World War II; poems from different generations and regions, some with international acclaim, others known primarily to those within women's literary circles. THE POETS who appear are: Mariella Bettarini, Cristina Campo, Anna Cascella, Patrizia Cavalli, Elena Clementelli, Rosita Copioli, Biancamaria Frabotta, Luciana Frezza, Vera Gherarducci, Margherita Guidacci, Armanda Guiducci, Jolanda Insana, Vivian Lamarque, Gabriella Leto, Dacia Maraini, Daria Micenanti, Alda Merini, Giulia Nicolai, Luciana Notari, Rossana Ombres, Piera Oppizzo, Amelia Rosselli, Gabriella Sica, Maria Luisa Spaziani and Patrizia Valduga. DUAL-LANGUAGE POETRY. Introduction, notes on the poets, bibliography index of first lines.

**The Divine Comedy** Oct 11 2020 This Everyman's Library edition—containing in one volume all three cantos, Inferno, Purgatorio, and Paradiso—includes an introduction by Nobel Prize—winning poet Eugenio Montale, a chronology, notes, and a bibliography. Also included are forty-two drawings selected from Botticelli's marvelous late-fifteenth-century series of illustrations. Translated in this edition by Allen Mandelbaum, *The Divine Comedy* begins in a shadowed forest on Good Friday in the year 1300. It proceeds on a journey that, in its intense recreation of the depths and the heights of human experience, has become the key with which Western civilization has sought to unlock the mystery of its own identity. Mandelbaum's astonishingly Dantean translation, which captures so much of the life of the original, renders whole for us the masterpiece of that genius whom our greatest poets have recognized as a central model for all poets.

**An Anthology of Modern Italian Poetry** Jun 30 2022 Italian poetry of the last century is far from homogeneous: genres and movements have often been at odds with one another, engaging the economic, political, and social tensions of post-Unification Italy. George Guida's first collection of poems, *LOW ITALIAN*, shows that he "...is a comic genius who is writing some of the funniest, most successfully satiric poems about Italian American behavior and culture, and by extension, ethnicity in general. His work has the self-assurance of a master: his voice can be assertive, ironic, self-reflexive, harlequinque, self-deprecating, and noble, all the time remaining spontaneous, unified, and faithful to its own unique vision"—John Paul Russo, Co-Editor of the ITALIAN AMERICAN.

*Selected Poems of Giovanni Pascoli* Mar 28 2022 The most comprehensive collection in English of the founder of modern Italian poetry Giovanni Pascoli (1855–1912)—the founder of modern Italian poetry and one of Italy's most beloved poets—has been compared to Robert Frost for his evocation of natural speech, his bucolic settings, and the way he bridges poetic tradition and the beginnings of modernism. Featuring verse from throughout his career, and with the original Italian on facing pages, *Selected Poems of Giovanni Pascoli* is a comprehensive and authoritative collection of a fascinating and major literary figure. Reading this poet of nature, grief, and small-town life is like traveling through Italy's landscapes in his footsteps—from Romagna and Bologna to Rome, Sicily, and Tuscany—as the country transformed from an agrarian society into an industrial one. Mixing the elevated diction of Virgil with local slang and the sounds of the natural world, these poems capture sense-laden moments: a train's departure, a wren's winter foraging, and the lit windows of a town at dusk. Incorporating revolutionary language into classical scenes, Pascoli's poems describe ancient rural dramas—both large and small—that remain contemporary. Framed by an introduction, annotations, and a substantial chronology, Taije Silverman and Marina Della Putta Johnston's translations render the variety, precision, and beauty of Pascoli's poetry with a profoundly current vision.

**Loco Motrix** Oct 23 2021 A musician, musicologist, and self-defined "poet of research," Amelia Rosselli (1930-96) was one of the most important poets to emerge from Europe in the aftermath of World War II. Following a childhood and adolescence spent in exile from Fascist Italy between France, England, and the United States, Rosselli was driven to express the hopes and devastations of the postwar epoch through her demanding and defamiliarizing lines. Rosselli's trilingual body of work synthesizes a hybrid literary heritage stretching from Dante and the troubadours through Ezra Pound and John Berryman, in which playful inventions across Italian, English, and French coexist with unadorned social critique. In a period dominated by the confessional mode, Rosselli aspired to compose stanzas characterized by a new objectivity and collective orientation, "where the I is the public, where the I is things, where the I is the things that happen." Having chosen Italy as an "ideal fatherland,"

Rosselli wrote searching and often discomposing verse that redefined the domain of Italian poetics and, in the process, irrevocably changed the Italian language. This collection, the first to bring together a generous selection of her poems and prose in English and in translation, is enhanced by an extensive critical introduction and notes by translator Jennifer Scappettone. Equipping readers with the context for better apprehending Rosselli's experimental approach to language, *Locomotrix* seeks to introduce English-language readers to the extraordinary career of this crucial, if still eclipsed, voice of the twentieth century.

**Roman Poems** Apr 16 2021 The Italian film-maker Pier Paolo Pasolini was first and always a poet—the most important civil poet, according to Alberto Moravia, in Italy in the second half of this century. His poems were at once deeply personal and passionately engaged in the political turmoil of his country. In 1949, after his homosexuality led the Italian Communist Party to expel him on charges of "moral and political unworthiness," Pasolini fled to Rome. This selection of poems from his early impoverished days on the outskirts of Rome to his last (with a backward longing glance at his native Frill) is at the center of his poetic and filmic vision of modern Italian life as an *Inferno*. Pier Paolo Pasolini was born in 1922 in Bologna. In addition to the films for which he is world famous, he wrote novels, poetry, and social and cultural criticism. He was murdered in 1975.

**The FSG Poetry Anthology** May 18 2021 To honor FSG's 75th anniversary, here is a unique anthology celebrating the riches and variety of its poetry list—past, present, and future. Poetry has been at the heart of Farrar, Straus and Giroux's identity ever since Robert Giroux joined the fledgling company in the mid-1950s, soon bringing T. S. Eliot, John Berryman, Robert Lowell, and Elizabeth Bishop onto the list. These extraordinary poets and their successors have been essential in helping define FSG as a publishing house with a unique place in American letters. The FSG Poetry Anthology includes work by almost all of the more than one hundred twenty-five poets whom FSG has published in its seventy-five-year history. Giroux's first generation was augmented by a group of international figures (and Nobel laureates), including Pablo Neruda, Nelly Sachs, Derek Walcott, Seamus Heaney, and Joseph Brodsky. Over time the list expanded to include poets as diverse as Yehuda Amichai, John Ashbery, Frank Bidart, Louise Glück, Thom Gunn, Ted Hughes, Yusef Komunyakaa, Mina Loy, Marianne Moore, Paul Muldoon, Les Murray, Grace Paley, Carl Phillips, Gjertrud Schnackenberg, James Schuyler, C. K. Williams, Charles Wright, James Wright, and Adam Zagajewski. Today, Henri Cole, Francine J. Harris, Ishion Hutchinson, Maureen N. McLane, Ange Mlinko, Valzhyna Mort, Rowan Ricardo Phillips, and Frederick Seidel are among the poets who are continuing FSG's tradition as a discoverer and promoter of the most vital and distinguished contemporary voices. This anthology is a wide-ranging showcase of some of the best poems published in America over the past three generations. It is also a sounding of poetry's present and future.

**The Poems of Trieste and Five Poems for the Game of Soccer** Jan 14 2021 Today, Umberto Saba (pseudonym of Umberto Poli, 1883–1957) is widely recognized as one of the most prominent European poets of the 20th century. His verses, tinged with melancholy and filled with compassion for the world's misery, are expressed in a language characterized by a sophisticated simplicity: light and rich of everyday words, yet musical and profound in poetic effect.

**Songbook** Sep 09 2020 Winner of the 2001 Raiziss / de Palchi Prize. This is a collection of masterpieces, useful as bread and chocolate. Bringing Saba across the Atlantic was thought by many a foolhardy voyage, much of the cargo bound to wash overboard. Thanks to the American poet Sartarelli, we now have always convincing, often inspired versions of Saba's wonderful poems in America. —Stanley Moss.

**Dante's Lyric Poetry** Jan 02 2020 The first comprehensive English translation and commentary on Dante's early verse to be published in almost fifty years, *Dante's Lyric Poetry* includes all the poems written by the young Dante Alighieri between c. 1283 and c. 1292. Essays by Teodolinda Barolini guide the reader through the new verse translations by Richard Lansing, illuminating Dante's transformation from a young courtly poet into the writer of the vast and visionary *Commedia*. Barolini's commentary exposes Dante's lyric poems as early articulations of many of the ideas in the *Commedia*, including the philosophy and psychology of desire and its role as motor of all human activity, the quest for vision and transcendence, the frustrating search for justice on earth, and the transgression of boundaries in society and poetry. A wide-ranging and intelligent examination of one of the most important poets in the Western tradition, this book will be of interest to scholars and poetry-lovers alike.
