5 Things to Pray for Your Heart Aug 24 2019 Jenn Greenberg was abused by her church-going father. Yet she is still a Christian. In this courageous, compelling book, she reflects on how God brought life and hope in the darkest of situations. Jenn shows how the gospel enables survivors to navigate issues of guilt, forgiveness, love, and value. And she challenges church leaders to protect the vulnerable among their congregations. Her reflections offer Biblical truths and gospel hope that can help survivors of abuse as well as those who walk alongside them.

Resurrecting the Death of God Jul 28 2022 Considers the legacy and future of radical theology. In 1966, an infamous Time magazine cover asked "Is God Dead?" and brought the ideas of theologians William Hamilton and Thomas J. J. Altizer to the wider public. In the years that followed, both men suffered professionally and there was no notable increase to the small number of thinkers considered death of God theologians. Meanwhile, Christian fundamentalism staged a striking comeback in the United States. Yet, death of God, or radical, theology has had an ongoing influence on contemporary theology and philosophy. Contributors to this book explore the origins, influence, and legacy of radical theology and go on to take it in new directions. In a time when fundamentalism is the greatest religious temptation, this volume makes the case for the necessity of resurrecting the death of God. "Resurrecting the Death of God shows why Altizer continues to ride the stream of contemporary conversations in academic theology and continental philosophy without ever losing his luster." — Carl A. Raschke, author of Postmodernism and the Revolution in Religious Theory: Toward a Semiotics of the Event

God and the Afterlife Oct 19 2021 Based on the largest near-death experience study in history, involving 3,000 people from diverse backgrounds and religious traditions, including nonbelievers, God and the Afterlife presents startling evidence that a Supreme Being exists—and there is amazing consistency about what he is like. In his bestselling book Evidence of the Afterlife, Dr. Jeffrey Long showed us that there is a strong scientific case for life after death. Now, he goes further, revealing evidence that God is real. At the Near Death Experience Research Foundation, Dr. Long studied the stories of thousands of people who have journeyed to the afterlife. Though there are a wide variety of differences in how people

experience NDEs—some see a bright light, others go through a tunnel, still others experience a review of their life—he discovered that many of the accounts shared a remarkably similar description of God; a Supreme Being who radiated love and grace. Expanding on his analysis begun in *Evidence of the Afterlife*, *God and the Afterlife* is the first intensive exploration of the people who have reported going to the frontier of heaven, met God, and have returned to share their journey. Groundbreaking and profound, it provides new insight into the human experience and expands our notions of mortality, offering possibility, hope, and comfort.

God on Death Row Apr 12 2021 Could convicted cannibal Jeffrey Dahmer get to heaven before you? If I shot thirteen people, could I still get to heaven? These and other questions are addressed in, *God on Death Row*. It's a journey through the lives of murderers and their amazing stories of finding faith in God, and salvation, as told through their letters. "Son-of-Sam" David Berkowitz, who once said, "I didn't want to hurt them; I only wanted to kill them," now calls himself the "Son of Hope." 19 convicted murderers in all. The book includes tons of personal letters, photos, last statements, last meals, etc.

Love is Stronger than Death Dec 29 2019 In one of his most penetrating books, Kreeft ponders the meaning of a terminal illness we all have: death. The three vital questions of Life, Death, and God are approached through a variety of human experiences. Kreeft's book is a new statement of the Christian vision: the meaning of our existence, and of death, is the fulfillment of our deepest desire for the infinite joy and love of God.

A God Interruption Mar 31 2020 Even Death had to Obey; when into the settled and genteel life of Karen Kendrick; there came "A God Interruption." Destined for death and gripping the grave she lay suspended between time and eternity. Her official chance of survival? 0%! Every organ permanently destroyed . . . Karen Kendrick had seemingly and by all official reports been defeated by death and he had staked his claim on this golden girl with an unfulfilled destiny. However, in the underground of the spirit world there was a group of people working; standing of the eternal promises of a sovereign God who still controls the affairs of hell. As Karen's mother walked what seemed like the halls of death, her voice echoed into eternity as she lifted her voice as the sound of trumpet to battle screaming; My Daughter is not dead! She walked in truth and not in facts... She walked in Faith. Her words were more than words they were divine declarations they were prophetic prose they were spoken with the authority of the Bride of Jesus Christ and Karen received her life back! The story will keep you spellbound but the anointing of the testimony will thrust you into spiritual dominion over every attack of the enemy in your life!

The Shape of Death Jun 22 2019 These five chapters, originally delivered as the Laidlaw Lectures at Knox College, Toronto, September, 1959, examine some of the forms that this pessimism about life and optimism about God took during the second and third centuries.

God Is Dead Sep 25 2019 The electrifying, "cutting-edge" (USA Today) debut work of fiction from Ron Currie, author of the forthcoming novel *The One-Eyed Man* (March 2017) Ron Currie's gutsy, funny book is instantly gripping: If God takes human form and dies, what would become of life as we know it? Effortlessly combining outlandish humor with big questions about mortality, ethics, and human weakness, Ron Currie, Jr., holds a funhouse mirror to our present-day world. God has inhabited the mortal body of a young Dinka woman in the Sudan. When she is killed in the Darfur desert, he dies along with her, and word of his death soon begins to spread. Faced with the hard proof that there is no supreme being in charge, the world is irrevocably transformed, yet remains oddly recognizable.

God's Presence in the Loss of a Child Jun 02 2020 God's Presence in the Loss of Child began as simple daily accounts of the author and his wife's trials and emotions and activities during the 12 days in which their daughter was alive and in the hospital, after her birth. Following her unexpected death and through the coming months and years, they began to see and experience God's blessings and better understand some of HIS plan for their daughter's life and for them. This is a simple story of just how Bill and his wife, dealt with real life as it was quickly thrown at them early one morning in June of 1989. Hopefully, you too, will see just how good God was, and how gracious and merciful HE was to Bill and his wife during that traumatic time in their young lives, and the many years since then, as HE continues to bless them and encourage them as they seek HIS will for their lives. Their prayer is that you too, might experience the same encouragement and strength that they did during that time and even today.

God, Guilt, and Death Dec 09 2020 In a valuable contribution to the philosophy of religion, Merold Westphal explains what it means to be religious. Examples from the writings of Kierkegaard, Freud, Heidegger, Dostoyevsky, Nietzsche, and Tolstoi illuminate the author's thesis that guilt and death are the central problems of human existence. A typology of

exilic, mimetic, and covenantal religions distinguishes three different approaches to salvation from guilt and death.

Content Warning: This book contains uncomfortable adult situations. Reader discretion is advised.

Three Short Stories: Death by Rabbit the Unexpected Selling God Mar 24 2022 The stories in Three Short Stories are off-shoots of the two novels To Bind Fast and Four People on a Marsh. The three stories are about the further experiences and growth of the two main characters in those novels as they search to make sense of the world in which they find themselves. They never find their universe to be without surprises, sometimes horrendous, and sometimes delightful; but they continually find that universe to be very quiet, perhaps silent, when it comes to values and directions for living. And they wonder if it isn't more hostile than friendly.

God, Death, Then Judgment Jan 28 2020 As I think of death, I realize it is a permanent situation. Many people living on earth and sensing all the different sensations of life, including love, pain, joy, feelings, taste and so forth, and then they come to the end of their adventure and will wonder, "now what". What was there before this? What will be after this? So many questions, yet so few answers. Let's come together now and begin our journey through the realization of God, His word, His only Son, His creation and might I say, life itself, but not overlooking His love, mercy and grace, and especially His judgment.

God Of Death Sep 17 2021 What if Hades didn't want Persephone? What if...he wanted her brother instead? Perse The last thing I expected when I threw that Halloween party at my place was to be abducted by some creepy dude who ruined my precious roses. Warning bells went off in my head when he sought me out and cornered me, calling himself Hades and looking like he belonged in a satanic sex cult. I was taken from my family and held captive in a realm called the underworld where all manner of demonic creatures worshipped this dark god. A powerful being who used me, terrorized me, and eventually...broke me. I'd never hated anyone more in my entire life. And I'd never been more determined to kill anyone either. Aidoneus He was such a pretty, feisty little thing. His tears brought me pleasure, his fear only excited me. And when he whimpered from the pain I inflicted? It was music to my ears. I'd intended to toy with him and discard him once I was done. But then the truth about him shattered my entire existence. He didn't know. And I didn't tell him because it would crush him more than I already had. Even if my silence meant I had to live without him for the rest of my cursed, immortal life. Note: 'God of Death' is an MM retelling of Hades and Persephone. It contains dark themes, graphic sex and violence, dub con and light horror elements. Read at your own risk.

PostSecret: Confessions on Life, Death, and God May 02 2020 For the past four years, Frank Warren, known as "the most trusted stranger in America," has invited people all over the world to send him creatively decorated postcards bearing secrets they have never before revealed. He has shared these PostSecrets on his blog, in an internationally traveling art exhibit, and in four electrifying and bestselling books: PostSecret, My Secret, The Secret Lives of Men and Women, and A Lifetime of Secrets. Warren's fifth book presents a never-before-seen collection of the most personal PostSecrets he's ever received—those dealing with life, death, and issues of faith and belief. The book lays bare the confessions of people at every stage of life, from every major faith (or from no faith). Warren's latest collection of secrets is his most profoundly moving yet.

The Great War and the Death of God Nov 07 2020 A compelling analysis of how World War I spurred the rise of atheism and the subsequent effect on Western theology, philosophy, literature, and art. The catastrophic Great War left humanity in a world no longer trustworthy and reassuring but seemingly meaningless and indifferent. Instead of redressing humanity's cosmic alienation, postwar Western culture abandoned its concern for cosmic meaning, lost its confidence in human reason, and enabled the scientific worldview of neo-Darwinian materialism to emerge and eventually dominate the Western mind. According to the proponents of that worldview, science is the only source of genuine truth, nature is the product of a blind evolutionary process, and reality at bottom is just physics and chemistry. Thus, God is dead and continued belief in a transcendentally purposeful universe is

intellectually indefensible and either disingenuous or delusional. By turning away from the eternal questions about the nature of reality, Western culture effectively ceded unwarranted credibility and prominence to neo-Darwinian materialism, including its recently strident New Atheism. "O'Connor revisits the 20th century's journey from Nietzsche's declaration of the 'death of God' to the rise of materialism as the dominant worldview of western intelligentsia. We live in a world that has largely expelled both mind and meaning from the citadels of serious intellectual pursuit, and O'Connor's book is a fascinating and scholarly expedition into the 'how' and 'why' of that troubling development." —Carter Phipps, author of *Evolutionaries* "I found this topic to be top-rate. The book is well researched and conceived, nicely narrated and analyzed, and an original body of inquiry into a challenging, fascinating intellectual tradition." —Ronald M. Johnson, Professor Emeritus of American History, Georgetown University

God, Death, and Time Oct 31 2022 This book consists of transcripts from two lecture courses on ethical relation Levinas delivered at the Sorbonne. In seeking to explain his thought to students, he utilizes a clarity and an intensity altogether different from his other writings.

Humanism and the Death of God Apr 24 2022 Humanism and the Death of God is a critical exploration of secular humanism and its discontents. Through close readings of three exemplary nineteenth-century philosophical naturalists or materialists, who perhaps more than anyone set the stage for our contemporary quandaries when it comes to questions of human nature and moral obligation, Ronald E. Osborn argues that "the death of God" ultimately tends toward the death of liberal understandings of the human as well. Any fully persuasive defense of humanistic values—including the core humanistic concepts of inviolable dignity, rights, and equality attaching to each individual—requires an essentially religious vision of personhood. Osborn shows such a vision is found in an especially dramatic and historically consequential way in the scandalous particularity of the Christian narrative of God becoming a human. He does not attempt to provide logical proofs for the central claims of Christian humanism along the lines some philosophers might demand. Instead, this study demonstrates how philosophical naturalism or materialism, and secular humanisms and anti-humanisms, might be persuasively read from the perspective of a classically orthodox Christian faith.

Death and the Life After May 14 2021 Our culture trains us to prepare for almost everything but death. Fear and denial are common human responses to the subject, What awaits us beyond this life? It is a journey into the unknown, or a glorious, spiritual pilgrimage to eagerly anticipate? In *Death and the Life After*, Billy Graham answers these questions and more, addressing such complex modern day issues as euthanasia, suicide, and living wills. Dr. Graham objectively and compassionately: Shares biblical secrets to finding peace and victory in the midst of suffering Presents real life testimonies of courageous men and women facing death Answers questions about the process of dying Teaches practical, loving ways to comfort those facing death Gives practical advice on preparing a will and planning a funeral Find peace, assurance, triumph, and even humor in a subject which is important to everyone.

The Death of God and the Meaning of Life Nov 19 2021 This question "What is the meaning of life?" is a preoccupying question in this post-modern, post-religious scientific world. Young presents a historical overview, from Plato to Foucault, of the many major figures in philosophy that have had.

Culture and the Death of God Feb 20 2022 Offers new observations on the persistence of God in modern times, and considers how the war on terror and a post-9/11 society has impacted atheism.

An Equal Joy: Reflections on God, Death and Belonging Mar 12 2021 "I have noticed, increasingly, that people after the age of 65 or thereabouts begin to experience the fear of death in a very palpable way. While in their childhood and youth they had viewed death as happening only to grandparents, while in middle age they could still afford to relegate death to remote corners of their consciousness where it could not intrude upon the pleasures of

living, the advent of old age after 65 brings to them a deeply disturbing sense of mortality." So begins *An Equal Joy*, a collection of essays in which award-winning author Catherine Lim undertakes a bold and intense exploration into the fear of death, the nature of religion and the question of who we are. Drawing on her own experiences and myriad influences—from the Taoist "Sky God" of her childhood and the Christian God Jesus of her adulthood to scientist Pascal and philosopher Socrates; from intimate conversations with close friends to the imagined world of fictional characters—Lim reflects on the beauty of both the natural world and the world of faith. As Lim writes, "Truth, Goodness and Beauty. For me, they form the goals of a perfect life." In sharing her insights, Lim not only provokes us to reflect on the meaning of life but also encourages us to live as meaningful a life as possible.

On Death and Dying. An Attempt on the Behalf of the ... People of ... God to Set Before Them the Fountain of Everlasting Consolation in Christ Jesus, ... Fourth Edition Sep 05 2020

When God Died Sep 29 2022 How could God, the deathless One, die? In *When God Died*, legendary Bible teacher Dr. Herbert Lockyer explores the person of Christ—both His divinity and His humanity—in an effort to show the majesty of His death and resurrection, and what they mean to us today. This series of Lenten meditations will open your eyes to the purpose, power, and beauty of Christ's crucifixion. Among the topics you will explore are... The magnanimity and honor of Christ The cleansing power of His blood The sovereign power of His grace The last seven words Christ spoke from the cross May we take the time to lovingly remember Christ's sacrifice—the means of His extraordinary grace and power to save dying sinners—so that we may stand in right relationship with Him, in awe of His holiness, power, and wisdom, and with a heart of gratitude for all He has done.

The Death of God Jul 24 2019

The Death of God Aug 29 2022 "The most exciting theological book I have read in many years. In some ways, it is a parallel to Karl Barth's *Römerbrief*."—RUDOLF BULTMANN "An unhesitating, unflinching analysis of an age which, Vahanian believes, has no concerns even to deny God...a cultural analysis of the religious, political, artistic, literary and societal movements of our era."—PAUL RAMSEY "In his preface to *The Death of God*, Paul Ramsey, Professor of Religion at Princeton university, explains that we are now in the second phase of the period post-mortem Dei—the first phase was anti-Christian, ours is post-Christian...Vahanian's message has to do with the 'dishabilitation' of the Christian tradition, with its replacement by bourgeois religiosity and a theology of 'immanentism,' with the desperate effort of Western culture to shake off the 'crippling shackles' of a superannuated piety. "The quality of mind which enters into this book is unique and fascinating...Vahanian is a fierce but eloquent prophet of the Lord."—ROBERT E. FITCH, *New York Times Book Review*

Society and the Death of God Jun 14 2021 This book advances the "strong" programme that sociology and anthropology provide a scientific foundation for arguing that God and the gods are human creations. Contending that religion is one – but not the only – way to systematize and institutionalize the moral order of a society, the author argues that religion reflects the fundamental human need for belonging and the social function of compassion. As such, our transcendental and supernatural ideas are really concerned with our everyday lives in communities and, faced with the severity and immediacy of the global problems with which the world is confronted – existential threats – it is increasingly important to abandon delusions and correct our mistake in reference, not by eradicating religion, but by grounding it more explicitly in earthly matters of community, social solidarity, belonging, and compassion. A wide-ranging study of the roots, nature, and purpose of religion and theistic belief, *Society and the Death of God* will appeal to sociologists, social theorists, and philosophers with interests in the scientific study of religion and the role of religion in the life of humankind.

Sex, Death and God in L.A. Dec 21 2021 Los Angeles is the labyrinth at the end of the American Dream, a city often celebrated, often condemned—rarely understood. In this fascinating and unusual collection David Reid has gathered together the novelists, journalists, and cultural critics who could best debunk the myths, define the truths, and decipher the strange iconography of this "bronzed paradise" of fourteen million inhabitants. Here are reports and reflections on: the new Latin-American and Asian populations of South Central and the East Side and the old establishment in the West Side's hidden hilltop enclaves; Downtown with its heavily mortgaged office towers held by Canadian and Japanese landlords; the shuttered factories, thriving sweatshops, and gerrymandered "rotten boroughs" of post-industrial L.A.; architecture from Irving Gill to Frank O. Gehry; avatars and messiahs from Krishnamurti to L. Ron Hubbard; rituals of power and abjection in Movieland;

and yoga and lust in Beverly Hills, Los Angeles Times and Nation columnist Alexander Cockburn; Mike Davis, author of *City of Quartz*; L.A. Weeklywriters Lynell George and Rubén Martínez; novelists Carolyn See, Eve Babitz, and David Thomson; architectural historian Thomas S. Hines; and Academy Award-winning screenwriter Jeremy Lerner are among those who investigate the mysteries of the city which, as Cockburn writes, is “the only megalopolis of the First World growing at a rate comparable to those supercities—Sao Paulo, Cairo, and Canton—of the Third World.”

On Death May 26 2022 From New York Times bestselling author and pastor Timothy Keller, a book about facing the death of loved ones, as well as our own inevitable death Significant events such as birth, marriage, and death are milestones in our lives in which we experience our greatest happiness and our deepest grief. And so it is profoundly important to understand how to approach and experience these occasions with grace, endurance, and joy. In a culture that does its best to deny death, Timothy Keller--theologian and bestselling author--teaches us about facing death with the resources of faith from the Bible. With wisdom and compassion, Keller finds in the Bible an alternative to both despair or denial. A short, powerful book, *On Death* gives us the tools to understand the meaning of death within God's vision of life.

Osiris Jul 16 2021 Bojana Mojsov tells the story of the cult of Osiris from beginning to end, sketching its development throughout 3,000 years of Egyptian history. Draws together the numerous records about Osiris from the third millennium B.C. to the Roman conquest of Egypt. Demonstrates that the cult of Osiris was the most popular and enduring of the ancient religions. Shows how the cult provided direct antecedents for many ideas, traits and customs in Christianity, including the concept of the trinity, baptism in the sacred river, and the sacrament of the Eucharist. Reveals the cult's influence on other western mystical traditions and groups, such as the Alchemists, Rosicrucians and Freemasons. Written for a general, as well as a scholarly audience.

My Descent Into Death Feb 29 2020 Not since Betty Eadie's *Embraced by the Light* has a personal account of a Near-Death Experience (NDE) been so utterly different from most others—or nearly as compelling. “This is a book you devour from cover to cover, and pass on to others. This is a book you will quote in your daily conversation. Storm was meant to write it and we were meant to read it.” —from the foreword by Anne Rice In the thirty years since Raymond Moody's *Life After Life* appeared, a familiar pattern of NDEs has emerged: suddenly floating over one's own body, usually in a hospital setting, then a sudden hurtling through a tunnel of light toward a presence of love. Not so in Howard Storm's case. Storm, an avowed atheist, was awaiting emergency surgery when he realized that he was at death's door. Storm found himself out of his own body, looking down on the hospital room scene below. Next, rather than going “toward the light,” he found himself being torturously dragged to excruciating realms of darkness and death, where he was physically assaulted by monstrous beings of evil. His description of his pure terror and torture is unnerving in its utter originality and convincing detail. Finally, drawn away from death and transported to the realm of heaven, Storm met angelic beings as well as the God of Creation. In this fascinating account, Storm tells of his “life review,” his conversation with God, even answers to age-old questions such as why the Holocaust was allowed to take place. Storm was sent back to his body with a new knowledge of the purpose of life here on earth. This book is his message of hope.

Paul and His Mortality Aug 05 2020 While many books are written on Jesus' death, a gap exists in writings about the theological significance of a believer's death, particularly in imitation of Jesus'. Paul, as a first apostolic witness who talked frequently about his own death, serves as a foundational model for how believers perceive their own death. While many have commented about Paul's stance on topics such as forensic righteousness and substitutionary atonement, less is written about Paul's personal experience and anticipation of his own death and the merit he assigned to it. *Paul and His Mortality: Imitating Christ in the Face of Death* explores how Paul faced his death in light of a ministry philosophy of imitation: as he sought to imitate Christ in his life, so he would imitate Christ as he faced his death. In his writings, Paul acknowledged his vulnerability to passive death as a mortal, that at any moment he might die or come near death. He gave us some of the most mournful and vitriolic words about how death is God's and our enemy. But he also spoke openly about choosing death: “My aim is to know him . . . to be like him in his death.” This study seeks to show that Paul embraced death as a follower and imitator of Christ because the benefits of a good death supersede attempts at self-preservation. For him, embracing death is gain because it is honorable, because it reflects ultimate obedience to God, and because it is the reasonable response for those who understand that only Jesus' death provides atonement.

Studying mortality is paradoxically a study of life. Peering at the prospect of life's end energizes life in the present. This urgency focuses on living with mission in step with God, the Creator and Sustainer of life, who is rightly referred to as Life itself. By focusing on mortality, we focus on Paul's theology of life in its practical aspects, in particular, living life qualitatively, aware of God's kingdom and mission and our limited quantity of days.

Life, Death, and After _____ Feb 08 2021 Life, Death, and After Why a Biblical Perspective? By: Jack M. Hilliard Have you ever wondered why you are here? What life is really about? When and how you will die? What happens after death? All these questions are important. Throughout generations all people have asked these questions. Our life could end at any moment without notice. The end of this world as we know it may be near. If that did happen would you be ready to face death? This book will explain what we should be doing today to prepare for this event. It will also explain what God says happens after death. We will explain why the Bible is without error and how we can trust its truths about life, death, and all other subjects. Life is not a promise it is a gift. Each of us will face death. Are you ready? Jack M. Hilliard received his BS and MBA from California Coast University. Desiring God Jan 22 2022 Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Rich Wounds Oct 26 2019 Profound reflections on the cross that help you to meditate on and marvel at the sacrificial love of Jesus. This book can be used as a devotional, especially during Lent and Easter. These profound reflections on the cross from David Mathis, author of *The Christmas We Didn't Expect*, will help you to meditate on and marvel at Jesus' life, sacrificial death, and spectacular resurrection-enabling you to treasure anew who Jesus is and what he has done. Many of us are so familiar with the Easter story that it becomes easy to miss subtle details and difficult to really enjoy its meaning. This book will help you to pause and marvel at Jesus, whose now-glorified wounds are a sign of his unfailing love and the decisive victory that he has won: "He was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was on him, and by his wounds we are healed." (Isaiah 53:5) This book can be used as a devotional. The chapters on Holy Week make it especially helpful during the Lent season and at Easter.

Bezalel's Body Nov 27 2019 When God died, art was born. With Christ's crucifixion, resurrection, and ascension, the human imagination began to be remade. In *Bezalel's Body: The Death of God and the Birth of Art*, Harvard-trained art historian Katie Kresser locates the historical roots of the thing we call art. She weaves together centuries of art history, philosophy, theology, psychology, and art theory to uncover the deep spiritual foundations of this cultural form. Why do some people pay hundreds of millions of dollars for a single painting? Why are art museums almost like modern temples? The answer lies in Christian theology and the earliest forms of Christian image making. By examining how cutting-edge art trends reveal age-old spiritual dynamics, Kresser helps recover an ancient tradition with vital relevance for today.
